To: Whom it may concern

This letter is to confirm the past employment of MS. Donna Marie Serritella as the Vice President of Sales and Marketing for FreedomRocks Inc. Ms. Serritella functioned at that position for nearly two years and did an exemplary job throughout the period.

We found her written word and verbal skills far above normal, and accounted for her ability to handle customer relations in an excellent and effective manner. Her knowledge of our industry is second to none giving us a leg up on newly initiated programs.

She fit in well with the rest of our staff adding to the harmony of our work space, but her value came from a thorough knowledge of what made our customers tick, and to implement programs accordingly.

Very truly yours,

FreedomRocks Inc

Ron Vincelle

Vice President-Operations
